GENERAL PROCUREMENT NOTICE

Independent System Operator in Bosnia and Herzegovina (ISO) intends using the proceeds of a loan from the European Bank for Reconstruction and Development (the Bank) for a project to, (i) upgrade the Energy Management System (EMS) and Supervisory Control and Data Acquisition (SCADA) system, (ii) implementation of new IT systems and (iii) reconstruction of ISO premises. The proposed project, which has a total estimated cost of about EUR 8.5 Mln equivalent, will require the procurement of the following goods, works and services:

- Supply and Installation of EMS, SCADA & IT Systems including the establishment of a Backup Control Centre
- Reconstruction of ISO BiH new Headquarters
- PIU Consulting Services

Tendering for the Consultancy Contract is expected to begin in the 4th Qtr of 2015, and the Works Contract is expected to be launched 2nd Qtr of 2016.

Contracts to be financed with the proceeds of a loan from the Bank will be subject to the Bank's *Procurement Policies and Rules* and will be open to firms from any country. The proceeds of the Bank's loan will not be used for the purpose of any payment to persons or entities, of for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or under a law of official regulation of the Purchaser's country.
